even. It's late getting across now and it's an urgent need in Douglas County.

PRESIDENT: Senator Lewis, do you wish to speak to the bracketing motion?

SENATOR R. LEWIS: I would just reiterate what Senator Moylan said. I think that if they really have a genuine concern that we can work out something on Select File. I would renew my motion to advance it to E & R Initial.

PRESIDENT: Senator Simon, would you close debate on your motion to bracket?

SENATOR SIMON: Yes, Mr. President, I would and I guess I'm a little surprised. I thought I had Senator Lewis' support and then somewhere between when I turned my head one time and the second time I lost it, but the bill has come up rather hastily. I think Senator Fowler has pointed out some concerns that are legitimate. I think that this is a very important matter in civil liberties and I think that before we just hastily speed a bill across the board that we have a chance to take a look at it. PRESIDENT: You've heard the motion. Record your vote. Have you all voted? Record.

CLERK: 31 ayes, 1 nay to advance, Mr. President.

PRESIDENT: The bill is advanced. I think we're ready now, Senator Mills, to go back to LB 323.

CLERK: Mr. President, (Read title to bill). The bill was first read on January 20th. It was referred to the Constitutional Revision and Recreation Committee, Mr. President. The bill was advanced to General File with Committee amendments. I do have pending amendments to the Standing Committee amendments and those are offered by Senator Mills.

PRESIDENT: Senator Jack Mills.

SENATOR MILLS: Mr. President, I think there are Committee amendments that Senator Koch and his Committee
